Individual Comments

Excellent. Please continue the exemplary course.

GS

Wexham Park Hospital, Slough, United Kingdom

I am very new to the paediatric orthopaedic environment, I found the course very informative and good for networking to meet other colleagues. Having the trauma mostly on the one day worked for me as I work with trauma and not so much elective patients. I would definitely want to attend again.

JO

Royal Hospital for Children, Glasgow, UK

It was a great conference, thank you!

RS

Sophia Children's hospital / ErasmusMC

It's reassuring to know my practice is not different to accepted standard.

SK

Barnsley District General Hospital, Barnsley

Good presentations.

AC

Royal Manchester Children's Hospital, Manchester, United Kingdom

This was an excellent event - by far one of the best courses / conferences I've attended. The organisers clearly put a lot of work into achieving an academic programme of a very high level.

PR

Torbay and Southern Devon Health and Care NHS Trust, UK

Very well organized.

MA

Sheffield Children's NHS Foundation Trust, UK

Friendly, welcoming and enthusiastic faculty. Very useful for exam preparation and future career.

HM

Royal Shrewsbury Hospital, Shrewsbury

Great conference. A lot of topics covered and fantastic for networking.
